Letter No. 5787 of 12th April 1904 from the Comptroller to the Govt. of H.H. the Maharaja of Mysore forwarding for favorable consideration, a Memorial from Mr. Dias, an Examiner of his office praying for a personal allowance.

In the Memorial Mr. Dias states that he has now put in a Service of nearly 33 years having been Entertained in Service on 1st December 1871 in the Office of the Examiner, P.W. accounts. When he was transferred to the Comptroller's office in January 1897 he was in receipt of Rs. 150 per mensem. He has been drawing this salary for the last 14 years. He sought the above transfer in the belief that the field for promotion was wider than that in the P.W.D. His anticipations proved different since the higher appointments to which men of his class would have been Eligible before the Scheme of the appointment of Account Probationers was introduced, are now filled by rules akin to the Competitive Scheme for the Civil Service and are therefore practically closed to them. From date of Mr. Labrayes retirement additional work has been assigned to him by placing him in charge of a Section while the Examiner's work itself has increased since the revision of the Comptroller's Office on the lines indicated by Mr. Birdwood. He prays that he may be granted a personal allowance of Rs. 50/- per mensem since he may in all likelihood have to retire altogether on the same pay

the

in forwarding the above for favourable consideration

The Comptroller says that Mr. Dias has rendered good work both in the office of the Examiner of W. & Ry. Accts. where he was formerly employed and in the Comptroller's office in which he is now working and that he has been drawing the same salary ofs. 150 since 1st Septr. 1899.

There is some force in the statement that promotion to this class of officials has been practically closed in consequence of the introduction of the system of Account probationers.

The present Peticr has been getting Rs. 150 for 14 years without any increase.

I have the honor to forward herewith a memorial from Mr Dias, an examiner of my office praying for a personal allowance, for favor of Submission to the Dewan for favorable Consideration.

I hope, therefore, that his memorial will meet with the encouragement it deserves at the hands of the Government.

SUBJECT MATTER.

Enclosure 1

Bangalore.

9th April 1904.

To

Sir P.N. Krishna Murti, K.C.I.E.,

Dewan to His Highness the Maharaja of Mysore

Bangalore.

Honoured Sir,

I beg most respectfully to lay my case before you in the sanguine hope that it will meet with due consideration at Your Excellency's hands.

I was entertained in the Mysore Government Service on the 7th December 1871 in the Office of Examiner, P.W.Accounts in which I served in various capacities and at the time of my transfer to the Comptroller's Office as Examiner T.A. Section in January 1897 I was in receipt of Rs.150 per mensem which salary I have been and // am still drawing for the past 14 years. I sought the transfer to the Civil Account Office in the firm belief that the field for promotion was wider, the prospect in the D.P.W.Office being very limited; but to my disappointment the result of my transfer proved very different from my anticipations as the higher appointments to

which

which men of my class would have been eligible before the scheme of the appointment of Account Probationers was introduced, are now guided by rules akin to the Competitive scheme for the Civil Service and are therefore practically closed to us.

I would here bring to Your Excellency's notice that the work of the Examiners since the revision of the Comptroller's Office on the lines indicated by Mr.Biddulph has considerably increased- not to say the additional work assigned to me and the responsibility imposed on me in having been placed in full charge of a section since the retirement of Mr.Subrayer the late Comptroller in September last.

I have now put in a service of nearly 33 years and as I may in all likelihood have to retire ultimately on the same pay, I beg that Your Excellency will be graciously pleased to grant me a personal allowance of Rs.50/- per mensem which in addition to affording me relief in my present somewhat advanced age will be a source of maintenance to the large family depending on me, for which act of kindness I shall ever feel grateful.

I beg to remain,
Honoured Sir,
Your most obedient & humble
Servant,

E.C.C.Dias
